**The Niva Bupa ReAssure 3.0 Individual Elite plan offers comprehensive features with significant benefits for a senior citizen female, including lifelong renewability, the option for an unlimited sum insured, and a unique premium lock feature.**

**Key features of the ReAssure 3.0 Elite plan include:**

- 1. Unlimited Coverage & Restoration:** The plan offers an unlimited base sum insured option, or large fixed options (e.g., ₹10 Lakhs). The ReAssure Forever benefit ensures that the base sum insured is restored an unlimited number of times within the same policy year, even for the same illness, after the first claim is made.
  
- 2. Immediate PED Coverage:** Get the confidence of immediate coverage for PRE-EXISTING DISEASES From day one. With ReAssure 3.0, you have the unique option to waive waiting periods on up to 145 pre-existing conditions. This means you can choose the assurance of being covered right from the start, or opt for the standard 36-month WAITING PERIOD if that suits your needs better.

**2. No Room Rent Capping:** The Elite variant covers all hospital rooms except deluxe and suite categories. This means the insured can choose a private room without worrying about proportionate deductions, as long as it's within the eligible category.

**3. Lock the Clock Feature:** This unique feature (available in Elite and Black variants) locks the premium at the age the policy was purchased until the first claim is made. This helps a senior citizen avoid the steep premium hikes typically associated with increasing age at each renewal.

**4. Optional Day 1 Pre-Existing Disease (PED) Cover:** For an additional premium (loading), the 36-month waiting period for up to 145 listed pre-existing conditions can be waived, providing immediate coverage from day one.

**5. Booster+ Benefit:** If no claims are made, the unused base sum insured can be carried forward, increasing the total coverage up to a maximum of 10 times the base sum insured amount.

#### **Extensive Hospitalization Coverage:**

**6. In-patient Care:** Covers expenses for hospitalization exceeding 2 hours (24 hours for AYUSH treatments), including ICU charges, doctor fees, and medicines, up to the sum insured.

**Pre & Post-Hospitalization:** Medical expenses incurred up to 60 days before hospitalization and 180 days after discharge are covered.

**7. Daycare & Modern Treatments:** All daycare treatments are covered. Modern treatments like robotic surgeries and stem cell therapy are covered up to the sum insured with no sub-limits in the Elite plan.

**8. Domiciliary Treatment:** Medically necessary treatment at home is covered if a hospital bed is unavailable or the patient cannot be moved.

**9. Ambulance Services:** The Elite plan covers road ambulance charges up to the sum insured and air ambulance charges up to ₹5 Lakh per hospitalization.

**10. Wellness Benefits & Discounts:** The "Live Healthy" benefit offers up to a 30% discount on renewal premiums for tracking steps and maintaining a healthy lifestyle via the Niva Bupa app.

**Annual Health Check-ups:** Cashless annual health check-ups are available from day one of the policy.

**11. Optional OPD Coverage (WellConsult+):** This add-on covers outpatient expenses like consultations, diagnostics, and pharmacy bills up to a limit (up to 5 times the premium), which can be beneficial for managing ongoing health needs of a senior citizen
